## Israel Refuses To Cease Fire

### Pound Within Few Miles Of Egyptian Base

Tel Aviv, Israel, Oct. 16—(AP)—Reliable informants said tonight an Israeli motorized column with air support has hammered to within a few miles of Gaza, principal Egyptian army base in Palestine.

The report, which lacked official confirmation, was made as Israel rejected a United Nations cease-fire order and apparently pushed a coordinated land and air offensive aimed at smashing open a road to settlements in the Negev, southern desert area.

While observers speculated whether the truce between Israel and Egypt had been broken wide open, an Israeli army spokesman late tonight said he believed fighting on the southern front had died down after about 36 hours of activity.

**Gaza, Arab Capital**  
Besides being the principal Egyptian base, Gaza is the provisional capital of the new Arab government for Palestine sponsored by the Palestine Arab higher committee. It is on the coast only 20 miles from the Egyptian frontier.

Preliminary reports said the Jews attacked the Egyptians' supply line between Faluja and Magdal, which are on an east-west line reaching almost to the coast north of Gaza.

The only official statement on the attack from the army said a motorized column staged a "punitive raid" on an Arab bastion of Iraq El Mashieh, 20 miles northeast of Gaza on the Magdal-Hebron road.

**Raid Follows Shelling**  
The raid followed heavy shelling of the nearby Jewish colony of Gath by Egyptian artillery located at Iraq El Mashieh and Faluja, the army said. Faluja was heavily bombed, it added.

United Nations officials in Haifa said the U. N. cease-fire order was issued to both Jews and Egyptians.

The officials reported also that a machinegun burst fired by Arabs in the old city of Jerusalem narrowly missed U. S. Colonel George Millett, Senior U. N. Observer, and a U. S. Counsel (presumably John J. Macdonald, chairman of the U. N. Conciliatory Commission). They were riding in a white U. N. sedan. Three rounds entered the car, which bore a U. N. flag.

The cease fire was ordered for 2 p. m., Greenwich mean time (8 a. m. Central Standard Time) today.

## Dewey Returns To Boyhood Home, Visits With Mother

Owosso, Mich., Oct. 16—(AP)—Republican presidential nominee Thomas E. Dewey came home tonight to this place of his birth and a rousing welcome from old neighbors.

The New York governors—"Tom" to scores of his friends here—stepped off his campaign train in the company of his 70-year-old widowed mother, Mrs. George M. Dewey.

She boarded the Dewey "Victory Special" 65 miles out of Owosso at Jackson, Mich., where the Republican party was founded in 1854. There, with his wife and mother smiling by his side, Dewey asked a police-estimated crowd of 3,000 persons:

"Did you ever see anybody as lucky as I am? I've got the most wonderful mother and the most wonderful wife and they are both here with me."

Dewey was born in this city of 17,000 population on March 24, 1902, in a dwelling over a general store.

The governor and Mrs. Dewey were staying overnight and through the Sabbath at his mother's modest, white-frame home. They planned to attend services at Christ Episcopal church Sunday.

**B-29 Picks Up Tiny Fighter In Mid-Air Maneuver**

Washington, Oct. 16—(AP)—The Air Force, after a previous failure, has succeeded in hooking its XF-85 "Parasite" fighter onto a mother airplane in mid-air.

It announced tonight the tiny fighter had made a 20-minute test flight after being launched from a B-29, then returned and hooked back on the trapeze-like structure under the superfortress from which it was launched.

In the initial test, on August 29, the XF-85 took off from the B-29 without trouble but could not make connection on return. It landed on the ground on skids, provided for such emergencies.

## Dying Man Reveals Clue Leading To Employer's Arrest

Gary, Ind., Oct. 16—(AP)—A tourist camp argument was blamed tonight for the fatal shooting of the caretaker, James George Halford, 24, of Trimble, Tenn.

Frank Traeger, police chief at Hobart, said the tourist camp operator, Ivan L. Bess, 35, of 410 E. 4th street, told him he shot Halford at the camp last night.

Halford's fatal wound was not discovered until after his car ran into a ditch and he was put in an ambulance.

Chief Traeger said he discovered the wound under Halford's left shoulder blade shortly before the caretaker died on the way to Methodist hospital here.

Before he died, Traeger said, Halford declared he was shot by "my friend Bess."

The chief said Bess told him he returned to the camp last night, found Halford and Mrs. Bess arguing and fired a .25-caliber automatic pistol at him when Halford ran toward a car. Bess said he thought Halford was reaching for a gun in the car.

Bess was arrested for questioning later. Halford had been working for him as caretaker for two months. He had previously held the same job before returning to Tennessee for a visit.

## Union President Discusses Politics In U. Of I. Speech

Champaign, Ill., Oct. 16—(AP)—A University of Illinois official today expressed "regret" that President A. F. Whitney of the Brotherhood of Railroad Trainmen had endorsed political candidates in a speech to students at a classroom seminar yesterday.

Director Phillips Bradley of the university's institute of labor and industrial relations said in a statement that "as a national labor leader Mr. Whitney was asked to speak and answer questions on collective bargaining in the railroad industry. I regret that in his talk he ranged from a discussion of collective bargaining for political office."

Whitney advised students to support President Truman and Democratic candidates in Illinois in the election.

By obtaining a "people's government," Whitney said, "you folks—workers, students, middle classes—can surprise Wall Street on Nov. 2."

## Greeks Seek American Aid

### Want Greater Cooperation From U. S.

Athens, Oct. 16—(AP)—War Minister George Stratos said tonight Greek army morale was being impaired by the continued aid to Communist guerrillas by Albania, Bulgaria and Yugoslavia.

He made the statement in commenting on an appraisal of the Greek situation earlier today by U. S. Ambassador Henry F. Grady.

Grady told American newsmen who had submitted written questions to him that the Greek military operations against the guerrillas were unsatisfactory and that more effective cooperation was needed between the Greeks and the American aid mission.

The American ambassador refused comment on whether there had been cases of mutiny in the Greek army. He also remained silent regarding statements here that the Greek government was holding back its efforts to smash the guerrillas in an attempt to induce the Americans to give more aid.

**Cannot See End**  
Stratos said in an interview that Greek soldiers fighting the communists "don't see how or when it can end." He said one soldier, told that the army would soon clear the guerrillas from the Vitsi triangle spoke up and said "when it's over in Vitsi the rebels will find another mountain to dig into."

Stratos said that if it were possible to halt aid to the guerrillas by the communist countries on the north "Greece would want no more help and no larger army."

Grady's written replies were disclosed as Secretary of State Marshall arrived in Athens for a first hand report on the Greek situation. A spokesman for Marshall indicated he was concerned about America's heavy commitments and responsibilities in Greece.

The correspondents submitted questions to Grady after noting these recent developments:

Some Greek sources fear guerrilla Chieftain Markos Vafiades may try to establish his separate communist government in the Peloponnese—the southernmost part of Greece. The guerrillas have stepped up their raids on towns and villages.

The guerrillas have more men in Greece now than when their operations started. The government has failed to give a go ahead for an anticipated all-out offensive in the Vitsi sector of northwest Greece, where considerable numbers of Vafiades' forces are concentrated.

Grady said the question as to whether Greece needs a larger army has been presented to the American government "and is now under study."

## Green Declares Continuation Of Aid To Industry

Chester, Ill., Oct. 16—(AP)—Gov. Dwight H. Green declared today he would continue to support industrial expansion of southern Illinois.

He spoke at the George Rogers Clark Memorial celebration, sponsored by the Greater Egypt association at Chester.

In a prepared address Green said, "as governor, I have been in close contact in recent years with the efforts that have been made to bring about the industrial expansion of southern Illinois, as well as to exploit the splendid scenic and recreational resources of this section of the state."

"These efforts have had, and will continue to have, the fullest support of your state government as long as I have the privilege to be identified with its administration."

Green said southern Illinois had been helped by state aid for highways, schools, parks, waterways and airports.

**Douglas Asserts Brooks, GOP Party Not In Harmony**  
Harvey, Ill., Oct. 16—(AP)—Paul H. Douglas, democratic nominee for the U. S. Senate, today termed Senators Brooks and Taft the "Dixiecrats" of the republican party.

Brooks is Douglas' opponents in the campaign.

In a prepared speech to a democratic rally, Douglas declared "the plea for national unity which Gov. Dewey is making is drowned out in Illinois by the catcalls of Sen. Brooks, just as it is drowned out in Ohio by Senator Taft."

## France Announces Partial Cut In Value Of Franc

Paris, Oct. 16—(AP)—France announced officially tonight what amounts to partial devaluation of the franc.

A finance ministry communique said henceforth all imports and exports will be calculated monthly on the basis of a medium rate between the pegged rate of 214 francs and the free market rate of 313 francs to the dollar.

This would mean, for example, that trading Monday will be figured on the rate of 264 francs to the dollar.

Pegging the new fixed rate of 264 francs will change parities of all monies not quoted on the free market. Only the dollar, the Swiss franc and the Portuguese escudo have been quoted on this market.

These other currencies, including the British pound, will be quoted about 22 per cent higher in francs now, and will have a flexible quotation which may be changed each month, French newspapers reported.

**Wallace Preaches Brotherhood Of Whites, Negroes**  
Dalton, Ga., Oct. 16—(AP)—Henry Wallace marched into Georgia today with Biblical fervor, preaching the brotherhood of whites and negroes.

He mainly attacked "the huge, modern monopoly corporation," which he said is "an instrument of the devil, blindly driving the world toward war."

He declared that the corporate "instrument of the devil" is backing Herman Talmadge, Georgia's next governor. He said this instrument "unleashes the forces of greed and selfishness" and "oppresses the support of the Ku Klux Klan."

The Progressive party presidential candidate flew about 1,000 miles out of his scheduled path to make one speech in Georgia—one final pre-election thrust into the Deep South where he was egged and heckled last month.

He left Chicago this morning and was due in Detroit tonight.

Wallace spoke from the pulpit of a church, before a mixed white and negro audience—mostly preachers—at an 11-state convention of the Church of God of the Union Assembly.

**Father Scours U. S. In Search For Missing Son**  
Chicago, Oct. 16—(AP)—A father is flying more than half way across the continent on the slim hope of finding his missing son in this metropolitan city.

Henry Edelson of Seattle was due to arrive on a United Airlines plane Sunday morning. He is trying to find his 18 year old son, Danny, missing from his Seattle home for two years.

A tip from two former schoolmates of Danny led the father to look for him here. The two told of seeing Danny, wearing an army uniform. He wouldn't tell the name he is now using nor say where he was staying.

Edelson plans to make the rounds of all army installations in the Chicago area, carrying Danny's picture with him. An unsuccessful, nationwide search was made for Danny when he disappeared two years ago.

**ACTRESS DIES**  
Glendale, Calif., Oct. 16—(AP)—Death has taken Elyse Chapman, 85, stage actress until 1898 and resident of the Hollywood film colony for 39 years. The widow of actor James Neill succumbed yesterday. Mrs. Neill played many roles in Cecil B. DeMille films.

## Former 'Free Germany' Official In Key Red Post

Berlin, Oct. 16—(AP)—The French-licensed newspaper Kurier reported today that Gen. Walter Von Seydlitz, a founder of the "Free Germany" committee in Moscow, had returned to Berlin to take a key post in Soviet occupation zone police.

An allied intelligence source said of the report:

"Quite probably true. The return of Communist-infiltrated free Germany committee leaders fits in with known developments in the Russian zone, especially in the building up of the 'people's police' force there."

The informant referred to the police force which communist spokesmen acknowledged recently has been greatly expanded and heavily armed.

Communists say this is necessary to protect the Soviet zone against "alarming civil war preparations in western Germany." Anti-communists declare it is a means of transforming the police into an illegally armed militia designed to wage civil war against the west.

The 60-year-old Von Seydlitz was captured at Stalingrad. As chief of the "Free Germany" committee he broadcast to German soldiers to revolt against Hitler.

**Strikers Cannot Vote If Replaced In Plant; NLRB**  
Washington, Oct. 16—(AP)—The National Labor Relations Board ruled today that strikers are ineligible to vote in plant elections if their jobs have been permanently taken by other workers.

The decision, one of the most important since the Taft-Hartley act became effective 14 months ago, applied only to so-called "economic" strikes—not to any walkouts over alleged unfair labor practices by an employer.

The board listed five circumstances which caused it to find that 71 strikers at the Pipe Machinery Company, Cleveland, had been permanently ousted. They struck Feb. 17, 1947. Their votes in a plant election last March 18 were thrown out. Only the ballots of replacements were counted.

The ruling hinged on whether the strikers had actually been replaced for keeps. Having determined that, the board said it had no alternative under the Taft-Hartley act but to rule the strikers ineligible to vote.

## Governor Warren Finishes Longest Of 1948 Campaigns

In California With Warren, Oct. 16—(AP)—Gov. Earl Warren of California, Gov. presidential nominee, returned to his home state today to ring down the curtain on the longest continuous political road show of the 1948 campaign.

Warren's 15-car special train touched 32 states in 32 days and logged nearly 11,000 miles.

At Mt. Shasta, in his first California platform talk of the day, the governor predicted not only an election-day sweep for the Republican national ticket but a GOP working majority in congress as well.

With only one day of rest Warren will leave Sacramento by chartered plane Monday evening for Miami to speak Wednesday morning before the American Legion convention.

**PLEAD INNOCENT**  
Yokohama, Oct. 16—(AP)—Six Japanese generals today pleaded innocent before a U. S. Army military tribunal to charges of responsibility in the mistreatment of from 10,000 to 30,000 allied war prisoners who were jammed aboard ships in the transfer to Japan.

**Chart Alliance To Protect Western Europe From Reds**  
Washington, Oct. 16—(AP)—The state and defense departments are now charting a broad program of military support for western Europe which goes far beyond enactment of a peacetime lend-lease arms plan.

American, Canadian and Key European foreign policy officials are understood to have decided tentatively that nothing less than a sweeping alliance, binding the North American powers with non-communist Europe in a mutual defense system, can provide the western world with necessary security.

A European rearmament program, on which no accurate cost estimates are yet available, is part of the program which officials concede are having two main objectives:

First, to protect western Europe against feared Soviet aggression so long as western Europe remains relatively weak;

Second, to develop maximum strength and self reliance in western Europe as rapidly as possible and thereby bring the era of American aid to an end.

Top military planners say that the cost of furnishing arms and other

## U.S. Attacked At U.N. Parley

### SPRINGFIELD RESIDENT WHO SAW LINCOLN BURIED, SUCCUMBS

Springfield, Ill., Oct. 16—(AP)—John Bradford, 93, who as a boy followed Abraham Lincoln's funeral procession and saw him buried, died tonight.

A native of Springfield, Bradford was one of nine students in the first class of the University of the South in Sewanee, Tenn., in 1869.

He lived for a time in Jacksonville, Fla., and Montgomery, Ala., before returning to Springfield in 1930.

**Senator Robert Wagner Reported Missing In N.Y.**  
Bay Shore, N.Y., Oct. 16—(AP)—Sen. Robert F. Wagner (D-N.Y.) was reported missing to state police today by his son Robert F. Wagner, Jr.

State police said the younger Wagner reported his father had "wandered off" from the son's country home at Islip about 2 p. m.

State police Lt. Lawrence E. Maxwell, in charge of the investigation, said Wagner, father of the Wagner labor law, was believed to have boarded a 5:55 p. m. (CST) train at Babylon, Long Island, bound towards New York City.

However, Maxwell said, the train was halted at Jamaica, N.Y., and searched but no sign was found of the legislator.

The elderly Wagner has been in ill health for a long time. Rumors have been current that he intended to quit politics entirely but Wagner frequently has announced his intention of remaining in politics.

## Memorial Honors Len Small, Late Illinois Governor

Kankakee, Ill., Oct. 16—(AP)—A new park will be dedicated tomorrow as a memorial to the late Republican Governor Len Small of Illinois.

The 20-acre wooded tract contains the old Dr. A. L. Small home, birthplace of the governor who held office until 1921 until 1929. Also a part of the memorial is a historical and arts building.

Notables, including Gov. Dwight H. Green and C. Wayland Brooks, have been invited to the dedication. There will be a display of ancient automobiles and farm implements, buggies and other reminders of earlier days. The old vehicles, including a prairie schooner and high wheeled bicycles, made a pre-dedication appearance today in a parade through Kankakee streets.

## Springfield Car Dealer Subpoenaed For Fraud Hearing

Edwardsville, Ill., Oct. 16—(AP)—A Springfield, Ill., used car dealer, Joseph Wolff, has been subpoenaed to appear before the Madison county grand jury Tuesday. State Attorney C. W. Burton said today.

The grand jury will take up the case of used car dealer Robert Knetzer of Edwardsville at that time. Knetzer and Arthur P. Kramer of Jerseyville, have been charged with conspiracy and obtaining money under false pretenses. Both men were released on \$25,000 bond each.

**Immigration Service Opens Gates To Mexicans**  
El Paso, Tex., Oct. 16—(AP)—The U. S. Immigration Service, in an unprecedented move, today abandoned efforts to halt illegal entry of Mexican farm workers into this country.

Instead, the agency opened the border to thousands of "Braceros" and turned them over to American farmer employers for jobs in southwestern beet and cotton fields.

An estimated 4,000 Mexicans have crossed the Rio Grande from Juarez, Mexico, illegally since the first planned dash last Wednesday night.

Today, Grover C. Wilmoth, district immigration director here, ordered the bars dropped. As fast as the "Braceros" waded the river, they were placed under technical arrest. Wilmoth said they then were paroled to the Texas Employment commission. The workers were quickly loaded into trailer trucks and rushed to ripening cotton fields in New Mexico and West Texas.

## Russian Says America Is Meddling

Paris, Oct. 16—(AP)—A Soviet bloc delegate charged today in the United Nations that a military clique stopped President Truman from sending a special peace envoy to Moscow.

Julius Katz-Suchy of Poland said President Truman was "a prisoner of a military clique." He apparently referred to Secretary of State Marshall's recommendation against the president's plan to send Chief Justice Vinson to the Kremlin for direct talks about the atomic control stalemate.

President Truman cancelled the plans after conferring with Marshall, former army chief of staff.

In his speech before the assembly, disarmament subcommittee, Katz-Suchy called for a halt to what he called Americans interfering in Europe.

**Verbal War Continues**  
The east-west war of hot words went on elsewhere in the U. N., too. Alexei Pavlov of Russia shouted before the assembly's social committee that Christopher Mayhew of Britain was a liar and a mouthpiece for fascism in the U. N. "He has started a cold war in the social committee," the bearded Russian said angrily.

Pavlov was replying to Mayhew's bitter attack of yesterday in which he accused the Soviet Union of holding its workers in "a monstrous slave system without parallel in world history."

The angry words came as the next move was awaited on the Berlin blockade. The six neutral nations on the Security Council met privately and their spokesmen, Argentina Foreign Minister Juan A. Bramuglia, planned to confer again with Soviet Deputy Foreign Minister Andrei Y. Vishinsky.

**Hope For Soviet Statement**  
Bramuglia, acting council president, was reported hopeful that Vishinsky would state the Russian position on Berlin in writing when the council meets again Tuesday.

Yesterday Vishinsky accused the neutrals of trying to trap him into breaking his boycott on the debate by asking him questions about the Berlin blockade. He refused to reply.

Members of the Argentine delegation were miffed by Vishinsky's attitude. They said the Russian delegate misled Bramuglia into believing that the Soviet Union would indirectly join the debate. Vishinsky, they said, told Bramuglia before the meeting that he had new instructions from the Kremlin and on the basis of this Bramuglia prepared to have him answer orally or in writing.

The United States, Britain and France planned to coordinate their replies to the queries for more information from the six neutrals—Argentina, Colombia, Syria, Belgium, Canada and China—over the weekend.

## RICHARD YATES ROWE WILL RECEIVE LARGE VOTE IN HOME COMMUNITY

Morgan county, which has sent three men to the executive mansion at Springfield, has another candidate for high office in the state election Nov. 2. While the office Richard Yates Rowe seeks is that of lieutenant governor, he is following closely in the footsteps of his great-uncle, Richard Yates, Sr., Illinois' civil war governor, and uncle, Richard Yates, Jr., who served in comparatively recent times. This city's first occupant of the governor's chair was Governor Joseph Duncan, whose home still stands.

Responsibility in high offices is not new to Richard Yates Rowe. He is state treasurer at the present time. He served in appointive capacity as secretary of state after the death of Edward J. Hughes. During all the years he held these important posts at Springfield he has retained residence in Jacksonville. The people of this community still call him "Dick" Rowe. His contact with Jacksonville remains intimate.

Mr. Rowe's record is familiar to his fellow townsmen. He was graduated from the University of Illinois, after which for a number of years he was an insurance executive. He is a Navy veteran of World War I, active in the American Legion. Mr. Rowe is serving his sixth term as a member of the Republican state central committee. At one time he was chairman of that group.

His election as state treasurer was the logical consequence of his long service as secretary of the Illinois Budgetary Commission. In that position he earned the reputation of knowing more intimate details of state fiscal policy than any other state official. When technical questions concerning state finance arose, Richard Yates Rowe was always certain to be called into conference.

Mr. Rowe added to his distinguished service to the people of Illinois by ably discharging the duties of Secretary of State. In this position as in others, he not only served well but gained experience enabling him to accept heavier responsibilities.

Mr. Rowe has a vast number of friends in his home community who will tender him a huge complimentary vote in his contest for the second highest administrative office in the state government. We know he can handle the job.

## The Little Choo Choo Chug In With \$60,000,000

By HAL BOYLE  
New York—(AP)—A lanky Connecticut Yankee who is a pioneer of railroading in a small way now wants to set all America bubble gunning.  
The people who engaged in railroading in a small way are those who run miniature choo-choos around their living rooms and backyards. Supplying them with choo-choos is now a \$60,000,000 industry.  
As for bubble gunning, a coming indoor sport, let William Russell Smith, the Connecticut Yankee explain.  
He came up to my desk and asked: "How would you like to have a double-barreled toy gun that fires soap bubbles and cardboard bullets?"  
"I don't know what else life can offer me," I said. "But just what would I do with it?"  
"Out Float The Bubbles."  
"Well, when things get dull," explained Smith, "You pull one trigger and out float two or maybe three bubbles. Then you pull the other trigger. It automatically fires harmless cardboard pellets."  
"And—?"  
"The idea," said Smith, "is to hit the soap bubbles with the pellets and break them—the bubbles, I mean. The gun holds 800 to 1,000 soap bubbles and 300 to 400 pellets, and of course you can purchase refills."  
This sounded like a wonderful way to spend a rainy day at the office, and I promptly accepted. I expect to have a fine time—if my boss doesn't confiscate the bubble gun.  
Only a Side Gadget  
It turned out that the anti-bubble gun was only a side gadget with Smith, who is the Thomas A. Edison of model railroading.  
This dry-voiced, 53-year-old ex-machinist holds or has applied for 100 patents in the field.  
"And please don't call them toy trains," said Smith. "It makes the kids mad—and their fathers, too. The dads get as much fun out of them as the kids. And model trains aren't exactly toys anyway. They're built to the same scale as real locomotives."  
The big problem in the industry is to obtain realism.  
"The kids want a little train to look and act as much as possible like real trains," said Smith. He is known in the annals of model railroading as the first man to make a baby engine smoke.  
Took 10 Years to Make Smoke  
"Every man with a model railroad had tried to produce smoke," he said. "It took me ten years to do it. I had to find a way to get smoke that was harmless and had no disagreeable odor. It also had to come from an ingredient that wouldn't stain or injure furniture or fabrics or rust metal."  
He found the answer in a secret chemical formula. The fluid placed in a container within the engine's smokestack and heated by a tiny electric wire, poured out smoke in "columns."  
Smith also is the innovator of miniature automatic switching light signals. This year he came up with the first "talking station." It has vocal effects and announces the departure of trains.  
As model railroads have become more complicated, their cost has risen.  
Fans Spend \$60 Yearly  
"There are about a million fans in this country," said Smith. "They used to spend only about \$10 or \$12 a year for equipment. Now they average about \$60."  
To be an inventor, he said, is helpful also to be "lazy," a liar, and willing to bite off more than you can chew—and then go ahead and chew it.  
"But mostly an inventor has to be lazy—a man always looking for an easier way to do things."  
An inventor also is something of a puzzle to his family. Smith recalled that when he was developing his bubble gun his wife discovered him on the back porch one day blowing bubbles and firing merrily away at them.  
"First it's trains and now it's soap bubbles," she said. "Now I know you're crazy."

## Demolay-Rainbow Members Attend Wiener Roast

Over sixty members of Assembly No. 19, Order of Rainbow for Girls, and Louis Henry Clampt Chapter, Order of Demolay, and their advisors attended the Demolay-Rainbow Halloween party Friday evening at the home of Mr. and Mrs. Charles Fulton, of New Berlin. The group was transported from the Masonic Temple by chartered buses.  
A wiener roast was held at 6:30 at the Fulton home, followed by a skating party at Springfield's Moonlight Garden, from 8 to 10:30 p.m., after which the group returned to the Fulton home for refreshments and games. Miss Pat Fulton, worthy advisor of Rainbow Assembly, and Harold Toussaint, Jr., master councilor of Demolay Chapter, were hostess and host of the evening.  
Louis Henry Clampt Chapter, Order of Demolay is planning to hold All Masonic Night on November 23 in the Masonic Temple. The committee acting for this event is composed of Bill Jarrett, chairman; Warren Ferguson; Howard Gutekunst; Jack Peak; and Harold Toussaint, Jr. Complete plans will be announced in the near future. The ceremonies will be open to the public.  
Assembly No. 19, Order of Rainbow Girls, will hold its stated communications on Tuesday evening, October 20, at 7:30 in the Masonic Temple. All Rainbow Girls are urged to be in attendance.

## Motor Scooter Club Formed To Promote Safety

Something new in the way of clubs has bobbed up in Jacksonville. The motor scooter owners are banding together.  
Bob Thomas has been elected president and Otis Nutgrass is treasurer. The club hasn't adopted a name yet, but the members are working on it.  
According to an announcement made by the new club, it has been formed for the purpose of promoting safe and sane riding among its members. A set of by-laws is being drawn up which will lay down rules for proper riding.  
At a meeting Thursday night the club voted to sponsor a tour to Merrimac Caverns in Missouri, beginning Saturday and ending Sunday evening. Fourteen members were scheduled to make the trip.

## Albert Hainsfurther Dies At Age Of 85

Winchester—Albert Hainsfurther, Sr., 85 years old, a member of a family which has been engaged in the mercantile business in Winchester, died Saturday at 8:30 a. m. at St. John's hospital in Springfield.

Mr. Hainsfurther was able to be at the Hainsfurther clothing store until two weeks ago. He entered the hospital five days ago.

Albert Hainsfurther, Sr.

He went to work 70 years ago in the store his father founded in Winchester. During his long career he became one of the best known merchants in central Illinois.

Mr. Hainsfurther enjoyed a wide acquaintanceship among people of this section of the state. A few years ago he announced his retirement from active business, turning the more arduous duties over to his son, Albert Hainsfurther, Jr., but found it more difficult to retire than he thought. Despite his lengthening years Mr. Hainsfurther was not content to be idle, but visited the store daily and took part in the business. Mr. Hainsfurther was born Jan. 7, 1863, in Germany, the son of Solomon and Henrietta Churchhouse Hainsfurther. He received his education in the Winchester schools and Brown's Business College at Jacksonville.

The store was founded 91 years ago by his father and an uncle. Mr. Hainsfurther was associated in business with his brother, the late David Hainsfurther, from 1900 to 1902. They dissolved their partnership at that time, with Albert Hainsfurther, Sr., retaining the men's store and David Hainsfurther and daughter retaining the women's clothing store.

Mr. Hainsfurther was united in marriage with Bertha Mure on Sept. 12, 1893. She preceded him in death in July, 1944.

He is survived by one son, Albert Hainsfurther, Jr., who is in charge of the business; three daughters, Mrs. Norman Landner of Davenport, Iowa; Mrs. Bess Holmmark of Kansas City, Mo., and Miss Henriette Hainsfurther at home. There are four grandchildren.

Mr. Hainsfurther was a member of the Masonic lodge and Odd Fellows.

The remains are at the Cunningham Funeral Home, where services will be held Monday at 2 p. m., with Rev. F. V. Wright officiating.

## Mrs. Thompson, Aged Resident, Dies Saturday

Mrs. Tabitha Thompson widow of the late Robert G. Thompson, died Saturday at 1:45 a. m. at the home of her daughter, Mrs. Harry Herring, 134 Sandusky street.

The daughter of Noah and Nancy Jane Bolen Craig, Mrs. Thompson was born Aug. 5, 1857, at Arcadia. She had resided in Jacksonville since 1913. Previous to that time her home had been on a farm west of Virginia.

Her husband died on Jan. 27, 1937. Surviving are two daughters, Mrs. Louise Herring of this city and Mrs. Nellie Jane Linn of Kansas City, Mo., and two sons, Edgar and Noah, both of Virginia.

Funeral services will be held Monday at 3 p. m. at the Williamson Funeral Home. Entombment will be in the mausoleum at Diamond Grove cemetery.

The body will be taken to the residence at 4:30 p. m. Sunday, to remain there until one hour before services at the funeral home.

## Arts Conference At MacMurray To Feature 3 Fields

The Arts Conference to be held at MacMurray college Nov. 4, 5, and 6 has been planned to provide fresh ideas and inspirations for teachers, students, and others interested in drama and speech, art, and music. The program includes some of the outstanding personalities in each of these three fields.

Robert Edmond Jones, called "the dean of stage art," is one of the speakers eagerly anticipated by devotees of drama. The influence of Mr. Jones' personality in the modern theatre has become a contemporary legend built up by his creation of scenes from imagined lands in "Lute song" and "The Jost," and by his designing of such historic productions as John Barrymore's "Richard III" and "Hamlet," and Eugene O'Neill's "The Iceman Cometh" and "Desire Under the Elms," and "Green Pastures."

The field of industrial art will be represented by Serge Chermayeff, director and president of the Institute of Design in Chicago. Mr. Chermayeff, a member of leading American, British, and international architectural societies, was born in the Russian Caucasus and educated in England. He began working as a painter, but soon concentrated more upon industrial designs, exhibition, stage design, and architecture.

Paintings by James Guy, head of MacMurray's art department and an artist of national reputation, will be on exhibit. A one-man showing of Mr. Guy's latest works was held in September by the Carlebach Gallery in New York City.

Musicians will have the privilege of hearing Rafael de Silva, noted Chilean pianist, and of entering his seminars in piano literature and Spanish. Mr. de Silva, after years of study at home and in Europe with famous teachers, has had a notable career on three continents. He has been assistant to his famous fellow-countryman, Chilean pianist Claudio Arrau. Mr. de Silva, who has an exceptionally well-rounded training. Those of the general public interested in attending the sessions should contact Miss Mary Waller at MacMurray College.

**DON'T LOOK NOW, REDS TELL FINNS**

Helsinki (AP)—Soviet authorities of Porkkala are irritated because passengers on Finnish trains keep trying to peep at them through doors and shutters.

Porkkala is an area about six miles out of Helsinki which was leased to the Russians for 50 years under the terms of the 1944 Armistice. After long negotiations the Finnish government obtained permission to transit trains through the area, which cuts the main line from Helsinki to Turku, on the condition that all cars must be locked and completely blacked out during the passage.

The Russian railway authorities recently complained that passengers, instead of obeying the rules, do their best to catch a glimpse of the forbidden area.

The Finnish authorities have appealed to all travellers through Porkkala not to endanger the continuation of the transit traffic by disobeying the Russian regulations.

### CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 16.—(P)—Hogs were quoted in a range of \$25.50 to \$26.50 at the livestock market today, nominally unchanged from yesterday. Cattle and sheep also were unchanged. It ended a week in which all classes of livestock scored good advances.

The agriculture department said the advance in live hog prices was tied in closely with a consistently strong to higher and active trade in wholesale pork. Butcher hogs gained \$1.00 to \$1.25, regardless of weight. About ten per cent of the receipts consisted of sows.

In the cattle section, slaughter steers advanced to \$15.50 to \$30.00 in an active trade. Top for the week was \$41.50. The advance in killing stock encouraged a more optimistic attitude upon the part of cattle feeders, which resulted in gains for stockers and feeders.

Slaughter lambs ended the week 50 cents to \$1.00 higher. Choice native lambs reached \$25.50.

### SELLING PRESSURE FORCES DECLINE IN WHEAT PRICES

Chicago, Oct. 16.—(P)—Wheat bogged down today on the Board of Trade in an attempt to carry through with yesterday's strength.

Prices ruled steady at the start, but toward the close selling pressure increased and the bread cereal fell back. Losses were small.

Corn also worked a bit lower after showing some firmness in early dealings. Both wheat and corn appeared to be encountering some profit-taking. Cash corn prices were about steady with yesterday's range. Purchases on a to-arrive basis totaled 200,000 bushels.

Soybeans provided the only real strength through to the close. Wet weather overnight in central Illinois, plus the possibility of more moisture over the week-end, caused some buying. According to trade reports, country offerings of cash soybeans were smaller.

Oats and rye were little changed in a light trade. Lard slumped on profit-taking after yesterday's sharp upturn. The decline came in the face of the fact that cold storage holdings of this commodity were down to 93,000,000 pounds against 122,000,000 pounds a year ago.

Wheat closed \$1.39 1/2 lower, December 2.26 1/2-2.27, corn was 1/4 lower, December \$1.39 1/2-1.40, oats were unchanged to 1/4 higher, December \$1.71, soybeans were 1/2-3/4 higher, November \$2.43-2.43 1/2, and lard was 33 cents lower to 5 cents a hundred pounds higher, October \$19.22. Estimated receipts in carlots wheat 16, corn 143, oats 11, rye 5 and soybeans 94.

## Elks Lodge Initiates 24 New Members

In impressive ceremonies held Wednesday evening, 24 new members were initiated into Jacksonville Lodge 682, B.P.O.E. The new members are shown above in the last two rows, while the officers are seated on the front row. The address of the evening was given following the initiation by District Deputy Grand Exalted Ruler Frank J. Horn of Macomb Lodge 1009.

By CHARLES BELLATTI  
Jim Spink, Illinois college co-captain, confided following the Eureka game Friday night that he thought the Red Devils "were really over-rated." He reported that their line was big, but easy to move. Maybe it's just that the Blueboy wall is beginning to creak, Jim.

At any rate, the I.C. victory was completely satisfying to home towns fans who are used to seeing the hill-toppers take pasting after pasting. The Blueboys' victory string, now run to four, could easily be cut next weekend, however. The west end gridders have seen Illinois Wesleyan play this year. They think the Tri-tans are probably the best in the CCI—with the exception of Illinois college, of course.

What Coach Bob Kraushaar has been fearing finally occurred at Springfield. He had a preview of what to expect without Stan Spotts in the season opener at Pittsfield. Spotts is the natural leader of a young, inexperienced team. Without him the Crimson just don't seem to operate in their regular manner.

Spotts will miss the Carlinville game, but an open date the next weekend will probably give him time to recover before the J.H.S. club faces Havana.

The question of who will take Stan's place as field general may be answered. Johnny Walker impressed coaches as the logical contender with his showing at Feitshans Friday night. Just a freshman, Walker may develop into the finest passer Jacksonville has boasted in many moons.

This doesn't exactly seem a fitting time to be talking basketball, but a month from now the cagers will be opening their workouts.

Jacksonville, in recent years a cage tourney center, has another meet on the agenda this season. Illinois college is planning a four-team blind tournament. Illinois School for the Deaf December 20 and 21.

This gives the city two holiday meets, for the Routt-Jacksonville high school tourney will be held for the third consecutive season. With the two local schools, Virginia, Pittsfield, Virden, Kincaid, Pawnee and Notre Dame entered, the high school get-together should also afford some good watching.

We understand that Illinois Wesleyan, James Millikin and Carthage, all CCI members, are the teams which Miller would like to secure for the college attraction. And what a meet that should be!

Getting back to football—Danville is one of the latest towns to add grade school football to its athletic setup. It seems that all the progressive school systems are making the move.

One result of the grade-school grid program is greatly improved high school team, but the big aim is good all-American sport under the guidance of competent instructors.

Danville has hired four highly-regarded former high school coaches to lead the grade school program. The 15 city grade schools will be divided into four units, each of which will have a team in the cross-town league.

Out Bay has provided all of his plays for the graders, and they will use Bay system right on through junior high school and on the freshman high school team. When the boys get on the varsity, they know all the fundamentals and Bay starts polishing the outfit for a season of Big Twelve competition.

Frank Walker established a touch-football league in the grade schools some years ago. The result was one of the finest teams this city has ever known—the undefeated 1937 bunch and the crew which Bob Kraushaar coached to a fine record in 1945.

Of course, not even touch football (or flash ball) is allowed in junior high school now. And basketball is being de-emphasized—not that it ever was emphasized.

Art Dufelmeier, the Beardstown gridiron whiz who captained the University of Illinois in 1947, suffered a knee injury while playing with the west coast 49ers of the All-American conference and has returned to his home. He plans to enroll at the U. of I. for additional work.

## Two Pro Combats In New York City Sunday Afternoon

New York, Oct. 16.—(P)—The battle of the box offices between the national football league and the rival all-America conference will have its first New York renewal of 1948 Sunday when the Giants and Yankees engage formidable rivals only one subway stop apart.

The rookie-laden Giants, floundering in the throes of a complete reorganization, open their home season in the National League against the defending champion Chicago Cardinals at the Polo grounds.

The Yankees, whose eastern title in the all-American loop has all but slipped away, take on the red hot San Francisco 49ers at the stadium, just across the Harlem river.

Neither A sellout

Both clubs have been letting the fans know that plenty of tickets are available. Given good weather, there should be large crowds in both of the spacious parks but neither game is likely to be a sellout.

All other teams in the National League are scheduled to see action, with a wholesale shakeup of the eastern division standings a possibility.

The Washington Redskins and Pittsburgh Steelers are tied for the eastern leadership, each with two victories and one defeat. Sunday will find the Philadelphia Eagles at Washington and Pittsburgh invading the home field of Boston Yanks.

What Could Happen

Should last-place Boston upset the Steelers, the Eagles, who have a win, a loss, and a tie on their record, could move up to first place by beating Washington.

Regardless of the outcome, the game in the Nations Capital is expected to produce one of the outstanding passing duels of the season between Philadelphia's Tommy Thompson, currently the leading thrower in the league, and Washington's Sammy Baugh, the old master.

The Chicago Bears, only unbeaten team in the National League, will go after their fourth straight triumph at home against the Detroit Lions. Losers of all three of their previous starts.

The fifth game on the National League slate sends the Los Angeles Rams against the Green Bay Packers on the latter's field. Both teams sport 500 averages.

Out For Revenge

The Cardinals, who have won two and lost one, are set to avenge their loss here last year, when the giants stopped them, 35-31, in one of the league's biggest upsets of the season.

In addition to the Yankee-49er struggle, only one other game is scheduled Sunday in the all-America conference which completes the first half of its season this week-end.

Cleveland's defending champion Browns, unbeaten and united after six starts, will attempt to make it seven straight in a game at Cleveland with the Buffalo Bills.

Despite their perfect record, the Browns have not yet caught the flashy 49ers, who will be seeking their eighth straight triumph against no defeats.

The San Francisco-New York game will make the first home appearance of the Yankees since Norman (Kred) Strader took over the head coaching assignment.

The Baltimore Colts checked the Los Angeles Rams, 29-14, Friday night before 40,019 fans at Los Angeles. A 15-point surge in the last quarter gave the Colts their fourth victory in seven starts. They hold a commanding lead in the eastern division.

Brooklyn's oft-beaten Dodgers finally broke into the win column at the expense of the Chicago Rockets, 21-7. A small crowd of 3,671 saw the Dodgers knock off the Rockets with Hunchy Hoernschemeyer scoring two touchdowns. A Bob Chappuis-Mickey Colmer aerial produced the third Brooklyn score, snapping a six-game losing streak.

## 3-Cushion Tourney Slated At Drexel Sunday Afternoon

Three cushion billiard teams from Decatur, Springfield and Jacksonville will gather at the Drexel Sunday afternoon for the first in a series of weekly tournaments.

All three cushion tables at the local room, announced Friday that the three teams will play five 50-point matches during the afternoon.

Harold Hills, proprietor of the Drexel will be put into use for first matches, the losers of which will be eliminated. Then, a champion will be determined in another pair of matches which will take place on one table. Competition begins at 1:30 p.m.

Gerald Gilliland and Charlie Davis will represent Jacksonville. Springfield players are Larry Villere and Gene Randolph. Harry Hagan and Don Tozer will appear for Decatur.

Players will be competing for weekly prizes, as well as a large trophy to be presented at the end of the season.

The three teams will tangle here every third week this winter. They will play each Sunday, appearing in the capital city and Decatur on the other week ends.

Fans are invited to witness the matches free of charge.

Bob Tennill, 200 pound tackle for Roodhouse high, has recovered from an injury and will resume practice next Monday.

White Hall put on the steam in the final period with Carrollton Thursday and scored 20 points. Not since 1936, with Dean Fair leading the Maroons, has a White Hall team performed that feat. That season the score was 6-6 at the third quarter and the White Hall team got 20 points to win by the same score and in the same way.

One of the largest crowds to witness a game at Carrollton in recent years attended the game with White Hall. Several college scouts were among the numerous fans.

Coach Glen Smith at Pittsfield has four consecutive victories over Pleasant Hill.

Roodhouse high has never lost a foot ball game to Jerseyville high. Coach Mason Campbell's teams have won 7 consecutive times: 1937, 21-7; 1938, 25-6; 1939, 26-6; 1940, 13-0; 1941, 12-6; 1946, 6-0; 1947, 19-6.

## Michigan Stuns Big 9 With Crushing 28-0 Victory Over Wildcats

Ann Arbor, Mich., Oct. 16.—(AP)—Michigan's fabulous football powerhouse, grinding with no wasted motion in the second half, churned out an impressive 28 to 0 victory over Northwestern before an awed throng of 85,938 fans here Saturday.

Sophomore Leo Koeski of Cannonburg, Pa., personally accounted for the first three touchdowns.

It was Michigan's 18th successive victory in an ever-growing string extending back to October of 1946, and put the Wolverines in the driver's seat in defending their Big Nine title.

**First Loss**  
Northwestern hadn't been beaten before Saturday, but the Wildcats, after making a terrific fight of it in the first half, collapsed under an avalanche of three Michigan touchdowns within a back-breaking space of less than 31 minutes midway in the second half.

Michigan was in front 7-0 by virtue of Koeski's one-yard smash into the end zone in the dying seconds of the first period, a slant that capped a 33-yard march in seven running plays.

The clawing cats stopped two Wolverine assaults in the shadow of their goal posts the first two times Michigan got possession of the ball in the third. Loren "Pee Wee" Day intercepted Chuck Ortmann's pass in the end zone after Michigan had reached the 5. And Northwestern's stout line turned back four thrusts a moment later to take the ball on down on the 1.

**Three Quick Counters**  
Then Michigan pushed Northwestern right out of the ball game. In quick succession Koeski caught Walt Teninga's 10-yard pass for a second Wolverine touchdown; George Sundheim fumbled the next kickoff and Ortmann hit Koeski with a 31-yard strike for another score; and Irv Wisniewski intercepted Don Burson's pass to set up another, Koeski fumbling the ball

into the end zone, where center Bob Erben outscrambled everybody for it to take credit for the touchdown. Harry Allis, Michigan's big end, booted all four extra points.

That simply was all there was to it as Michigan hit back again and again for its third straight shutout victory.

Northwestern was an able foe for one good period, the second, when Michigan fumbles kept the Wildcats in threatening position the entire 15 minutes.

**Stand Off Attacks**  
But Michigan stood its ground to take back the ball on downs three times—on its 10, 10, 30, and its 24. And the Wildcats didn't threaten again.

So completely did the overpowering Michigan offense control the ball from the outset of the second half that Northwestern got the ball only four times and ran only 12 plays, three of them punts, before the Wolverines had the visitors snowed under the 28 to 0 count.

Michigan made 14 first downs to Northwestern's eight and gained 342 yards running and passing against the Wildcats' 159. The big Michigan defense line and its husky pair of linebackers, Dan Dworsky and Dick Kempthorn, limited Northwestern to 47 yards rushing all afternoon.

**Scoring by quarters:**  
Michigan ..... 7 0 7 14—28

**Purdue Regains Victory Road, Edges Iowa**

Iowa City, Iowa, Oct. 16.—(AP)—Purdue's Boilermakers shook off their football miseries Saturday with a 20-13 victory over Iowa.

The Boilermakers, their Rose Bowl dreams blasted by Northwestern and Michigan after a heart-breaking loss to Notre Dame, finally got on the winning path in a rough and tumble scrap with the Hawkeyes. The score didn't actually show the difference between the two teams. Most of the breaks went against the Boilermakers but they were equal to the occasion in a homecoming contest watched by 47,000.

Purdue scored one touchdown in the final 35 seconds of the second period and had another but for an "offensive foul."

The Boilermakers rushed to a 13-0 lead midway in the third period on Harry Schulz's nine-yard dash and eventually clinched the game on Bob DeMoss' punch from the one-foot mark in the fourth period for a 20-7 lead.

Iowa, which had made its only previous threat with a drive to the 16 early in the second period, scored on the second play of the fourth period on Ralph Doran's smash from the one yard line.

The Hawks pulled up to 13-20 in the closing seconds when Al DiMarco tossed to Bob McKenzie for a 48-yard gain to the one and sophomore Mearly Naber hit across the next play.

Purdue's first touchdown came on DeMoss' throw from the Iowa 46 to Norbert Adams on the two, the half-back stepping over for the score.

**Yale Aggregation Upsets Badgers Saturday 17-7**

Madison, Wis., Oct. 16.—(AP)—A spirited, underdog Yale football team spotted Wisconsin a touchdown Saturday and then swept to a 17-7 victory.

With the exception of a first period drive that brought the Badgers a score, they were outfigured and outchased by the lighter Bulldogs.

Wisconsin scored on a 42 yard gallop by Clarence Self before the game was three minutes old. It got in position in Yale territory on five more occasions in the second period but that was all it got.

Yale meanwhile kept plugging away, knotting the score after recovering a Wisconsin fumble on the Badger 19, with flashy Left Jackson going from the two.

The Bulldogs went into the lead in the third period on Ferd Nader's nine-yard crash over center and wound up their scoring on William Booe's 15 yard placement in the same period. Booe also kicked extra points after the first two scores. Lisle Blackburn booted Wisconsin's extra point.

Explosive runs by Clarence Self, Bob Petruska and Gwynn Christensen gave the Badgers possession in the second period but Yale stopped every threat with apparent ease.

Yale's drives all were sparked by Jackson, who ran, passed and punted with skill. Bob Raines also contributed some good smashes and runs.

**MILLIKIN DOWNS CARTHAGE**  
Carthage, Ill., Oct. 16.—(AP)—Millikin won its second Little Nine conference football game in three stars Saturday night by beating Carthage 14-13.

**KNOX - AUGUSTA TIE**  
Galesburg, Ill., Oct. 16.—Knox rallied for one touchdown in the third period and two in the fourth to tie Augusta 20-20 in a non-league football game Saturday.

## Illinois U. Cagers Open Rehearsals Monday Afternoon

Champaign, Ill., Oct. 16.—Illinois' basketball team begins practice Monday for a 22-game schedule which will open against Butler University in Huff Gymnasium here December 3.

Harry Combes, starting his second season at the Illinois basketball helm, will have nine lettermen back from a team which finished in a third place tie in the Big Nine last year.

Two of those letter winners, Carl Dike Eddleman and 6-foot 4-inch Walt Kersulis, are football regulars and won't be available until after the grid finale Nov. 20.

**List Lettermen**  
On hand for Monday's opening will be lettermen Bill Erickson, Rockford (East); Dick Foley Paris; Fred Green, Urbana; Jim Marks, Edwardsville; Burdette Thurlby, Kirkland; Walt Osterkon, Chicago (Arundel); and Van Anderson, Sullivan.

There'll be some outstanding sophomores seeking recognition, too. Among them are Don Sunderlage, Elgin; Ted Beach and Jim Cottrell, Champaign; Bill Boyer, Beardstown; Dow Morris, Paris; Dick Brogren and Glen Truglio, Rockford (East).

Gone from last year's squad is one regular, Capt. Jack Burmaster, plus three substitutes, Bob Doster, Cliff Fulton, and Stan Fronczak. Fulton left school to accept a business offer; the other three were graduated.

**Tough Card**  
The Illinois face a difficult schedule that pits them against some of the nation's toughest non-conference foes in addition to the always rugged 12-game Western Conference. Combes' club will meet Butler, DePaul, Oklahoma, Pennsylvania, Cornell University, Colgate, twice, and Creighton in Huff Gymnasium, while battling Notre Dame and DePaul in non-league games on the road. Five games are slated during a 13-day holiday period.

Illinois should shape up along the same lines as Combes' 1948 club, since Burmaster was the only first team loss. Job of assuming tough defensive assignments, Burmaster's chore last year, this time may fall to Foley, who is a question mark after a summer knee operation. Thurlby, or Bill Erickson, Combes is thinking of moving Kersulis to Osterkon to forward since he has that pair and 6-7 Fred Green available at center. Combes also may concentrate Bill Erickson at guard this season to fully utilize his speed and ball-handling deception with Burmaster gone.

**Rossides Is Hero, Then Goat; Penn Licks Columbia**

New York, Oct. 16.—(AP)—Gene Rossides, Columbia's great little quarterback, went from hero to goat in one heartbreaking moment Saturday as the bulky Penn team scored a touchdown with only 32 seconds of play remaining to pull out a 20 to 14 victory.

Rossides, pride of Brooklyn, passed for two first-half touchdowns which shot the Lions on in front of the Ivy league champions, 14-0.

Then the little guy made his tragic blunder. He tried too hard to knock down a long Quaker aerial, bumped into the receiver and an alert official convicted him of interference on the three-yard line. The play started the rally.

**Wesleyan Beaten By Indiana Team**

Terre Haute, Ind., Oct. 16.—(AP)—Indiana State's Sycamores pushed over a second-quarter touchdown on a quarterback sneak Saturday night to down Illinois Wesleyan 6-0 in a steady rain.

The lone touchdown was the only time in the game either team threatened seriously. Halfback Gus Polozos sparked the Illinois Wesleyan team both on offense and defense but the visitors couldn't get into scoring.

**Tulane Impresses In Saturday Win**

New Orleans, Oct. 16.—(AP)—Tulane's Green Wave jumped back into the national football picture Saturday by thumping Mississippi's Southeastern Conference champions, 20 to 7.

Except for a 60-yard third-period burst through center by Dixie Howell which brought the Ole Miss touchdown, Tulane generally bottled up the Rebel attack.

**WESTERN EKES DECISION**  
Carbondale, Oct. 16.—(AP)—The Western State Leathernecks of Macomb teamed up with the rain to spoil a Southern Illinois University homecoming celebration Saturday. The score was 13 to 7.

**NORMAL TAKES WIN**  
Valparaiso, Ind., Oct. 16.—(AP)—Illinois Normal put a damper on Valparaiso's homecoming observance Saturday by eking out a 16-14 football victory with a fourth-quarter safety.

## Two Contests In City Saturday Afternoon

Illinois college's undefeated Blue-boys face one of their toughest assignments next weekend as they engage in the first of four straight College Conference of Illinois gridiron battles. The homecoming feature against Illinois Wesleyan university at the J. H. S. field may well be I. C.'s hardest test of the season.

The Titans, regarded by many as the pre-season CCI favorites, are packed with talent this year. Among their backfield aces is Bill Gross, Gibson City all-state halfback, who was enrolled at Illinois college until an eleven-hour transfer.

**Four Game Streak**  
The westenders will carry a four-game winning streak into the battle, though, and should give the invaders a good battle.

Vying with the I. C. game for attention Saturday afternoon will be I. S. D.'s home game with Kincaid, a south-central powerhouse.

The city's other eleven, the J. H. S. aggregation, will be on the road, moving to Carlinville for a third, and final, central conference contest Friday night. Carlinville, which battled to a tie with the Crimsons here last time out, has been mowing down opposition with regularity this year.

A top attention-getter develops at Pittsfield, when the unbeaten, once scored-upon Saukees, entertain Jerseyville's undefeated aggregation in a combat which is billed as the Ivy loop title decider.

**Good Defensive Record Too**  
Jerseyville kept its goal line uncrossed until two weeks ago, when White Hall finally moved over. Winchester scored once against the Panthers last week.

Injuries to key men on both teams might help decide the tilt. Winchester figures to chalk up its

**National Anthem Halts Riot; Tech Defeats Auburn**

Atlanta, Oct. 16.—(AP)—A 300-man battle royal among players and spectators was the big moment on Grant Field Saturday as Georgia Tech defeated Auburn, 27-0. It was Tech's fourth straight football victory.

Game officials rushed into the melee of flying fists and feet late in the fourth quarter but could not even slow down the battle which gained in size by the moment. One of the officials then dashed to the Tech band stand and ordered, "The Star Spangled Banner quick." The band played through two stanzas before patriotism overcame battle ardor, and before peace could be restored to the playing field.

The issue which caused the battle is clouded. However, after the play preceding the free-for-all an Auburn guard and a Tech halfback were put out of the game. On the next play Tech got off a running play which ended only after the National Anthem quelled the riot.

**IOWA STATE VICTORIOUS**  
Ames, Ia., Oct. 16.—(AP)—The Iowa State Cyclones gave the "old grads" their first homecoming victory since 1945 as they swept to an 18-7 victory over Colorado Saturday after a shaky start.

Trailing 7-6 at half time, the Cyclones scored the first time they got the ball in the third period.

**LOP-SIDED GAME**  
Norman, Okla., Oct. 16.—(AP)—Okahoma's shifty Darrell Royal scored two touchdowns and passed to two more as the Sooners rolled to a 42-0 victory over Kansas State Saturday.

**MICHIGAN STATE In Easy Decision**  
East Lansing, Mich., Oct. 16.—(AP)—Michigan State backs gamboled at will through University of Arizona territory for a 61-7 victory over the westerners before 36,616 homecoming fans Saturday.

The crushing Spartan ground attack racked up two touchdowns a period with one extra tally on an intercepted pass just before the rout ended.

**MINNESOTA Edges Underdog Illini In Last Quarter**

Minneapolis, Oct. 16.—(AP)—A seemingly impotent Minnesota football team suddenly found itself in the waning minutes of the final period and defeated Illinois, 6 to 0, Saturday.

For three periods and well into the final stanza the teams had battled virtually in midfield. Then a long pass from Left Halfback Dick Lawrence to End Vern Gagne set the opfers on fire. The pass was good for 51 yards to the Illinois 22-yard line.

Fullback Frank Kuzma hammered through center for ten yards and a first down. Another plunge, on a cack, netted him nine yards more. He was held to no gain on the next play but added two more yards to put the ball on the Illinois one-yard line for another first down. Quarterback Jim Malosky, on a sneak play, went over to give Minnesota its victory margin. Lnu Kuzma's Soltau's kick hit the post.

Lawrence's long leave that started the drive was his second pitch of the day for impressive distance. In the final seconds of the second period he tossed to End Bud Grant for 50 yards to put the ball on the Illinois one-yard line. The whistle ended the period, however, before the Gophers could do anything with their opportunity.

A crowd of 62,066 jammed Memorial stadium for the game. Once again the Gophers were beset by fumbles, some of them induced by the tackling of the Illinois men. In the third period Illinois players recovered Minnesota bobbles on two occasions—both times on the Illinois 25-yard line.

Berkeley, Calif., Oct. 16.—(AP)—The undefeated California Bears opened their bid for the Pacific Coast conference championship Saturday with a 42-0 win over the Oregon State Beavers.

California blasted to its first touchdown late in the first period. Left Half Paul Keeckley went over from the three.

In the second period with the ball on Oregon's 44, Fullback Jack Jensen picked a strike to Left End George Souza.

The Bears turned the contest into a rout in the third period. They took the kickoff and pounded 80 yards to score. Then Swann galloped 51 yards for another touchdown.

In the last period Bob Minahan, a fourth string left end, intercepted a Beaver throw and ran 16 yards for a score. Fourth string Quarterback Ken Minahan passed to Left Half Charles Sarver for the Bear's last counter.

**California Bears Lick Oregon State 42-0 In Coast Tilt**

**Missouri Smothers Navy Grid Outfit In 35-14 Rout**

Baltimore, Oct. 16.—(AP)—Two touchdowns passes in the last two minutes saved Navy from complete humiliation today as Missouri's Tigers clawed their way to a 35 to 14 victory before about 22,000 fans in Babe Ruth stadium.

The Tigers scored once in each of the first three periods and added two touchdowns in the final for a 35-0 lead before quarterback Bobby Horne came to life to pilot Navy's scores.

Missouri's aggressive line led by center Bob Fuchs and an alert secondary smothered Navy's offense until the last two minutes. Horne started pitching then, moving Navy 50 and 39 yards with his aerials.

His scoring strikes were to Larry Treadwell from the 7 and to Jim Green from the 17.

Stephenson's first touchdown, towards the end of the first period, was the longest run of the game—41 yards.

**Notre Dame Slams Nebraska 44-13 On Saturday**

Lincoln, Neb., Oct. 16.—(AP)—Notre Dame slammed 80 yards from the opening kickoff for a touchdown Saturday, then buried Nebraska under a vicious onslaught that brought a 44 to 13 victory.

It was the 21st straight game without a defeat for the Irish. A sellout crowd of near 38,000 watched. From the time Terry Brennan went 12 yards on the first scrimmage play there was no question as to the outcome. Notre Dame was just too fast, big and alert for the Big Seven conference Huskers.

All that Nebraska had to offer was wrapped up in spread plays. These bothered the Irish enough to get Nebraska one first-half touchdown but Notre Dame solved them. The Irish had four touchdowns before Nebraska got its score.

Substitute halfback Jack Smodic nailed the triumph down by intercepting a last resort pass on the Marquette 40 and racing for a score.

Counter service for the picnic will be arranged by Baxter Hall, the dining hall of the college. The picnic will be the first event on Saturday's Homecoming program. After the picnic, the Homecoming parade to the football field will begin.

Also new to this year's celebration is an informal coffee-social at Baxter Hall following the bonfire on Friday night. Members of the faculty will serve as hosts and hostesses, giving them and the alumni an opportunity to meet again.

Both of these events are open to any alumnus or former student of Illinois College.
